

EMPOWERING PEOPLE, CHANGING LIVES, BUILDING COMMUNITIES

**NECAC SERVICE CENTER SPONSORS A FOOD
DRIVE & AWARENESS WALK
FRIDAY APRIL 8, 2011
IN CONJUNCTION WITH KIDS EXPO (4/16/11)**

The current poverty rate for our kids today is over 25%, the highest in history, there are an estimated 16 million children living in low-income households. No child should go without adequate nutrition. **You can help out!** NECAC and local volunteers will be distributing information bags door to door on April 8th in your area. You can fill up those bags with can goods. **We will then return on the morning of April 16th to collect the filled bags.** Can goods can be left in the bag on the front door or you can also drop filled bags off at YMCA on April 16th, at 9 am to 11:30 am. Help our children learn, help the children with proper nutrition, and help the community.
